Please adhere to the scheduled start time as the Pastor may have other obligations/duties on your day. It is imperative and courteous to be on time.

Prior to the Baptism the parent or guardians must attend a counseling session with the Pastor to receive instructions regarding the service, roles, responsibilities and requirements. The session can be scheduled through the Church office.

Fees for the Christening service must be paid to the Church office 1 (one) week prior to the scheduled date.

The fee includes the church, service, and Prelacy Baptism certificate.
